

Court of Appeals, State of Michigan

ORDER

People of MI v David Kircher

Docket No. 275215

LC No. 05-001189-FH

Donald S. Owens
Presiding Judge

Peter D. O'Connell

Alton T. Davis
Judges

The Court orders that the motion for immediate consideration is GRANTED.

The Court orders that the motion to amend bond pending appeal is GRANTED in part and DENIED in part. Defendant may satisfy the bond set by the trial court by posting recordable liens on his real estate.

O'Connell, J. would respectfully dissent. I am troubled by the majority's initiation of their innovative prison/jail release program without any citation to a specific court rule or statute. Absent this legal support, I would deny the request to amend the bond, and I would affirm the trial court's decision.
